

WARREN MOTT BOOSTER CLUB SUPPORT **FOR SPORT TEAMS AND ACADEMIC CLUBS**

- **This support is not intended to be a money making event for the Sports and/or Academic Clubs, its sole intention is to provide a benefit to the families of the students (athlete or club participant).**
- Monies will not be paid out ahead of time. It is assumed the program will pay up front, or use collected monies from their event, and we'll reimburse after the event or banquet.
- As such, all monies will be paid back to the program, not an individual.
- No need to present to the Boosters to receive monies, just follow the directions provided.
- Everything must be turned into the Booster President.
